I give my child permission to sign up to go to the 2019 Chosen Camporee in Oshkosh, Wisconsin. I understand by signing and submitting this authorization I am financially responsible for the costs of this trip currently estimated to be \$495:

Parent's signature: \_\_\_\_\_ Date: \_\_\_\_\_

The cost to go to the 2019 “Chosen” Camporee estimated to be **\$495.00** per person. This cost is for everyone, both Pathfinders and staff. The cost includes your ticket to the Camporee (**\$195 non-refundable**), meals (**\$60.00**), transportation to and from the Camporee (**\$185.00**), and (**\$55.00**) miscellaneous expenses (these expenses include t-shirts, pins for trading, and any club activities we do during the trip).

There are significant opportunities for you to offset the cost by participating in fundraisers such as the “Miracles” book sale, J-103 coupon books, selling camporee puzzles and other fundraisers that will be held during the year. Some Pathfinder club members who have been diligently working with the fundraising opportunities have already earned enough to pay the cost of their trip in-full. Please ask your counselor about these and other opportunities to fundraise and reduce your trip costs.

**Due to tickets for the “Chosen” International Camporee selling much faster than last time we are now planning to purchase tickets on December 20<sup>th</sup>, 2018. Current projections are the camporee will be sold-out by January which is several months earlier than it sold-out last time. Based on this information that was received just a few days ago we need to request this participant form (one per attendee including staff and staff children) and the \$195 non-refundable payment for camporee tickets be received by midnight December 19<sup>th</sup>. Checks should be made payable to: Collegedale Pathfinders with “Pathfinder Camporee” marked in the memo/subject along with the attendee's name.**

**We will place an order for the 2019 “Chosen” International Camporee tickets on December 20<sup>th</sup> for everyone who has submitted this form and made appropriate financial arrangements. Anyone needing tickets after December 20<sup>th</sup> will be subject to availability, once the camporee is sold-out we will not have the ability to purchase more tickets.**

If you want to know how much your child has earned in fundraising credit towards OshKosh please see Ron Knapp at the front desk during Pathfinders or send an email request to [collegedalepathfinders@gmail.com](mailto:collegedalepathfinders@gmail.com)

Also, any non-staff parents that are wanting to attend the “Chosen” International Camporee please let us know by Wednesday, December 12th. We are collecting these names on a waiting list and will get back to you once we have all the requests tallied and reviewed by the Collegedale Pathfinder executive staff team.
